In the matter of: GSP Consulting Corporation
GSP Consulting Corp. PAC
Houston Harbaugh Legislative Services Political Action Committee
John Dick
Charles Hammel
Joseph Kuklis
Sean McDonald

MUR No: 5749

COMPLAINT

1. Citizens for Responsibility and Ethics in Washington brings this complaint before the Federal Election Commission ("Commission") seeking an immediate investigation and enforcement action against GSP Consulting Corporation, GSP Consulting Corp. PAC, Houston Harbaugh Legislative Services Political Action Committee, John Dick, Charles Hammel, Joseph Kuklis and Sean McDonald for direct and serious violations of the Federal Election Campaign Act ("FECA").

Complainant

2. Citizens for Responsibility and Ethics in Washington is a non-profit organization dedicated to ensuring accountability in public officials and compliance with federal laws.

Respondents

3. GSP Consulting Corporation ("GSP") is a lobbying firm located in Pittsburgh, Pennsylvania.

4. GSP Consulting Corp. PAC ("GSP-PAC") is separate segregated fund of GSP and a political committee as defined by FECA. 2 U.S.C. § 431(4). Houston Harbaugh Legislative Services Political Action Committee ("HHLS-PAC") was a

political committee as defined by FECA during the period at issue in this complaint, since having been disbanded.

5. Joseph Kuklis is an owner of GSP.
6. John Dick is an owner of GSP and Treasurer of GSP-PAC.
7. Charles Hammel is the President of Pitt Ohio, a client of GSP.
8. Sean McDonald is the CEO of Precision Technologies, a client of GSP.

Factual Allegations

9. GSP was formed in 2001 by Joseph Kuklis, and John Dick, two former senior staffers of Senator Rick Santorum (R-PA). Tory Newmyer, Lobbying firm broke PAC rules, *Roll Call*, May 3, 2006 (attached as Exhibit 1).

10. GSP formed GSP-PAC in 2002. GSP-PAC, FEC Form 1 (attached as Exhibit 2).

11. Houston Harbaugh Legislative Services ("HHLS") was formed in 2002 as a joint venture of GSP and the law firm Houston Harbaugh, P.C.. Patty Tascarella, GSP Consulting buys Houston Harbaugh's lobbying arm, *Pittsburgh Business Times*, August 15, 2005 (attached as Exhibit 3) and HHLS LLC filing (attached as Exhibit 4). HHLS formed HHLS-PAC in 2004. HHLS-PAC, FEC Form 1 (attached as Exhibit 5).

12. Despite the fact that HHLS was partially owned by GSP, neither GSP-PAC nor HHLS-PAC reported their affiliation in any FEC filing from 2004 to the present. See Exhibits 2 and 5.

13. GSP reportedly acquired HHLS in August 2005. See Exhibit 3. The Pennsylvania Secretary of State's Corporations Bureau has no record of this transaction. HHLS LLC filings (attached as Exhibit 6).

29044234887

14. In 2005, GSP-PAC received excessive contributions from the following individuals:

Joseph Kuklis – \$11,800
John Dick – \$14,000
Charles Hammel – \$15,000

GSP-PAC Form 3x, January 23, 2006, at 6 (attached as Exhibit 7).

15. In 2005, HHLS-PAC received contributions from Joseph Kuklis in the amount of \$1,500 and John Dick in the amount of \$1,500. HHLS Form 3x, August 2, 2005, at 6-7 (attached as Exhibit 8).

16. For the 2006 election, HHLS-PAC has made a total of \$1,500 in contributions to Santorum 2006, the candidate committee for Senator Rick Santorum. Id. at 9.

17. For the 2006 elections, GSP-PAC has made a total of \$4,000 in contributions to Santorum 2006. GSP-PAC Form 3x, July 29, 2005, at 10 (attached as Exhibit 9), GSP-PAC Form 3x, April 12, 2004, at 12 (attached as Exhibit 10), and GSP-PAC Form 3x, July 14, 2003, at 10 (attached as Exhibit 11).

18. The contributions of GSP-PAC and HHLS-PAC to Santorum 2006 total \$5,600. Two of GSP-PAC's contributions totaling \$2,100 were designated for the general election. Id. All other contributions made by GSP-PAC and HHLS-PAC apply to the primary election, either by designation or because the primary was the next election Sen. Santorum faced. See Exhibits 9-11. By designating the contributions in this manner, the affiliated committees did not violate the combined contribution limit. 2 U.S.C. § 441a(a)(1)(C) and 11 C.F.R. § 110.1(d).

29044234888

19. GSP provided lobbying services for Precision Technologies, Pittsburgh Airport Area Chamber of Commerce, and YMCA of Pittsburgh in 2004. See 2004 GSP Lobbying Reports for Precision Technologies, Pittsburgh Airport Area Chamber of Commerce, and YMCA of Pittsburgh (attached as Exhibit 12). The following contributions were earmarked to federal candidates through GSP-PAC in 2004:

Sean McDonald, CEO of Precision Technologies - \$2,250 (\$2000 to Santorum 2006 and \$250 to Rep. Mike Doyle)
Pittsburgh Airport Area Chamber of Commerce - \$700 (Rep. Murphy)
James Cimino, Director of Technology, YMCA of Pittsburgh - \$250 (Rep. Murphy)

GSP-PAC Form 3x, October 12, 2004 (attached as Exhibit 13).

20. Sean McDonald also contributed \$2,000 directly to Santorum 2006 on August 4, 2004, but listed his occupation as "self employed," rather than CEO of Precision Technologies in the disclosure report. Santorum 2006 FEC Form 3, October 15, 2004, at 91 (attached as Exhibit 14).

21. Although GSP reportedly acquired HHLS in August 2005, GSP maintained both GSP-PAC and HHLS-PAC without notifying the Commission of the acquisition or the affiliation between the two political committees. See Exhibit 3.

22. On August 12, 2005, HHLS-PAC made a \$100 contribution to GSP-PAC. HHLS-PAC Form 3x, March 2, 2006, at 6 (attached as Exhibit 15). It is unknown whether the contribution was made prior to GSP's acquisition of HHLS because the acquisition has never been filed with the Pennsylvania Department of State's Corporation Bureau, as required by state law. See Exhibits 4, 6 and 15.

23. HHLS-PAC filed late year-end reporting for 2005 and gave the FEC notice of termination on March 2, 2006. Exhibit 15 at 1.

COUNT I

24. In 2005, the maximum legal contribution from an individual to a federally registered political committee like GSP-PAC was \$5,000. 2 U.S.C. § 441a(a)(1)(C); 11 C.F.R. § 110.1(d). A contribution to a political committee that exceeds \$5,000 constitutes an illegal contribution. See 2 U.S.C. § 441a(f).

25. In 2005, Charles Hammel contributed \$15,000 to GSP-PAC. This \$10,000 excessive contribution violated 2 U.S.C. § 441a(a)(1)(C); 11 C.F.R. § 110.1(d).

26. Because GSP-PAC accepted \$15,000 from Charles Hammel, it accepted a \$10,000 excessive contribution in violation of 2 U.S.C. § 441a(f), which prohibits political committees from accepting contributions from individuals over the limits proscribed in FECA. See Exhibit 7.

27. In 2005, John Dick contributed \$14,000 to GSP-PAC. This \$9,000 excessive contribution violated 2 U.S.C. § 441a(a)(1)(C); 11 C.F.R. § 110.1(d).

28. Because GSP-PAC accepted \$14,000 from John Dick, it accepted a \$9,000 excessive contribution in violation of 2 U.S.C. § 441a(f), which prohibits political committees from accepting contributions from individuals over the limits proscribed in FECA. See Exhibit 7.

29. In 2005, Joseph Kuklis contributed \$11,800 to GSP-PAC. This \$6,800 excessive contribution violated 2 U.S.C. § 441a(a)(1)(C); 11 C.F.R. § 110.1(d).

30. Because GSP-PAC accepted \$11,800 from John Dick, it accepted a \$6,800 excessive contribution in violation of 2 U.S.C. § 441a(f), which prohibits political

committees from accepting contributions from individuals over the limits proscribed in FECA. See Exhibit 7.

COUNT II

31. Political committees that are separate segregated funds of corporate entities may only solicit contributions from stockholders, executives of the corporation, the families of stockholders, and the families of corporate executives (the corporation's "restricted class"). See 11 C.F.R. § 114.5(g)(1). Soliciting outside of the restricted class is a violation of FECA. Id.

32. Charles Hammel's company, Pitt Ohio, was a client of GSP. Mr. Hammel was not a stockholder of GSP, nor an executive of GSP. Mr. Hammel was not a family member of any GSP stockholder or executive of GSP. He was, therefore, not a member of GSP's restricted class. See 11 C.F.R. § 114.5(g)(1).

33. To the extent that Charles Hammel's \$15,000 contribution was solicited by GSP-PAC, this would violate the prohibition on solicitations outside of a corporate segregated fund's restricted class. See 11 C.F.R. § 114.5(g)(1).

COUNT III

34. HHLS was a joint venture of GSP and Houston Harbaugh, P.C. Since GSP had an ownership interest in HHLS, GSP-PAC and HHLS-PAC were required by law to report their affiliation to the Commission upon filing of HHLS-PAC's statement of organization on December 15, 2004. HHLS-PAC and GSP-PAC failed to disclose their affiliation, in violation of 2 U.S.C. § 441a(a)(5) and 11 C.F.R. § 102.2(b).

35. GSP acquired HHLS in August 2004, according to GSP principal Joseph Kuklis, as reported in the Pittsburgh Business Times. See Exhibit 3. From the time GSP

acquired HHLS until HHLS-PAC's termination in March 2005, GSP directly operated two federally registered political committees, but failed to report the affiliation to the Commission. By failing to disclose this affiliation, GSP violated 2 U.S.C. § 441a(a)(5) and 11 C.F.R. § 102.2(b).

36. GSP-PAC and HHLS-PAC failed to report their combined contributions under a single contribution limit, in violation of 11 C.F.R. § 110.3(a).

37. In the alternative, if the Commission finds that GSP-PAC and HHLS-PAC were not affiliated, to the extent HHLS-PAC solicited contributions outside its restricted class, it violated 11 C.F.R. § 114.5(g)(1).

38. There is no public record that indicates John Dick or Joseph Kuklis were stockholders or executives of HHLS. Neither is there any record that Mr. Dick or Mr. Kuklis were family members of any HHLS stockholder or executive. Therefore, they are not members of HHLS's restricted class. See 11 C.F.R. § 114.5(g)(1).

39. To the extent that John Dick's \$1,500 contribution was solicited by HHLS-PAC, this would violate the prohibition on solicitations outside of a corporate segregated fund's restricted class. 11 C.F.R. § 114.5(g)(1).

40. To the extent that Joseph Kuklis's \$1,500 contribution was solicited by HHLS-PAC, this would violate the prohibition on solicitations outside of a corporate segregated fund's restricted class. 11 C.F.R. § 114.5(g)(1).

COUNT IV

41. In 2004, the maximum legal contribution from an individual to a federally candidate committee was \$2,000. 2 U.S.C. § 441a(a)(1)(C); 11 C.F.R. § 110.1(d).

29044234892

42. On July 7, 2004, Sean McDonald earmarked \$2,000 through GSP-PAC to Santorum 2006. See Exhibit 13 at 9. Mr. McDonald did not designate the contribution, therefore it is applied to the next election for Sen. Santorum, his primary. On August 4, 2004, Mr. McDonald made a \$2,000 direct contribution to Santorum 2006 that was specifically designated for the primary. See Exhibit 14 at 91. The August 4, 2004 transaction was a \$2,000 excessive contribution, in violation of 2 U.S.C. § 441a(a)(1)(C) and 11 C.F.R. § 110.1(d).

COUNT V

43. In 2004, GSP-PAC received earmarked contributions to federal candidates from Sean McDonald, Pittsburgh Airport Area Chamber of Commerce and James Cimino. See Exhibit 13.

44. GSP served as the lobbyist for Mr. McDonald's company, Precision Therapeutics, the Pittsburgh Airport Area Chamber of Commerce, and Mr. Cimino's organization, YMCA of Pittsburgh. See Exhibit 12.

45. John Dick stated in a newspaper interview that he suggests GSP clients should contribute money to federal candidates. Carrie Budoff, From staff to lobbyist: The ties that bind, *The Philadelphia Inquirer*, April 17, 2006 (attached as Exhibit 16). Mr. Dick, when asked if he suggests to his clients that they make contributions to federal candidates, was quoted to say, "Sure, it is an unfortunately big part of it... . It is definitely in our interest to support candidates that care about our projects and issues." Id.

46. Using corporate resources to facilitate contributions to federal candidates, is a violation of 11 C.F.R. § 114.2(f). Soliciting contributions that are earmarked for a

candidate through the corporation's separate segregated fund is a violation of 11 C.F.R. § 114.2(f)(2)(iii).

47. To the extent that GSP illegally facilitated the making of earmarked contributions to federal candidates through GSP-PAC, GSP violated 11 C.F.R. § 114.2(f).

48. The Commission has previously found violations of 11 C.F.R. § 114.2(f) when corporate personnel and resources are used to facilitate the making of earmarked contributions to targeted federal candidates. See Conciliation Agreement, In the Matter of Westar Energy, Inc., MUR 5573 (May 12, 2005).

WHEREFORE, Citizens for Responsibility and Ethics in Washington requests that the Federal Election Commission conduct an investigation into these allegations, declare the respondents to have violated federal campaign finance laws, impose sanctions appropriate to these violations and take such further action, including but not limited to an audit of GSP-PAC and HHLS-PAC, as may be appropriate.

Lobbying Firm Broke PAC Rules

May 3, 2006

By Tory Newmyer,
Roll Call Staff

Former top aides to Sen. Rick Santorum (R-Pa.) who are working at a lobbying firm with close ties to the lawmaker appear to have used their political action committee in ways that repeatedly broke federal election rules in recent months.

The firm, Pittsburgh-based GSP Consulting, already refunded in March more than \$25,000 in excessive contributions to its PAC.

However, when Roll Call brought other apparent infringements to the firm's attention Monday, GSP co-founder John Dick said he was moving to correct the situation.

The apparent violations — which Dick said he had been unaware of — include accepting PAC contributions from people outside the firm, failing to notify the Federal Election Commission of an affiliation with another PAC and breaking spending limits for affiliated PACs with contributions to Santorum.

He said the firm has requested that Santorum's re-election campaign return \$600 in excessive contributions; was refunding a client's contribution to its PAC; and is seeking guidance on whether it broke FEC rules by failing to report its association with another campaign fund.

Firm officials described the mistakes as the unintentional result of relatively inexperienced consultants wrangling with complex federal regulations.

"We're young, and our PAC is pretty young as well, and we're trying to manage it all," said Amy Ross, a GSP principal who manages the fund. "It was just an honest mistake."

FEC spokesman George Smaragdīs declined to comment on the situation, citing agency policy not to discuss possible or pending actions. He noted that the firm responded promptly earlier this year when notified of the excessive contributions to its PAC.

Dick said he is hopeful the FEC will continue to be forgiving of his outfit's mistakes, given the difficulty of complying with federal rules.

But Brett Kappel, a campaign finance lawyer with Vorys, Sater, Seymour and Pease, said the firm's professed innocence may not keep federal campaign regulators at bay.

"This PAC appears to have committed several egregious violations of the Federal Election Campaign Act," Kappel said. "Having multiple violations on their record is more likely to lead to an FEC audit or an enforcement action seeking civil penalties."

The lobbying shop, which focuses on appropriations work for Keystone State clients, was launched in 2001 by Joseph Kuklis and Dick, who together logged several years on Santorum's staff.

Dick, who served as Santorum's director of business coalitions and deputy campaign manager, and Kuklis, the Senator's one-time deputy state director, began small. They opened their operation in the same Pittsburgh building where the Senator has his office, and they recruited a small stable of clients.

They launched the PAC shortly after opening their doors. While the fund has remained relatively small — it has pulled in \$36,000 this cycle — GSP lobbyists have maximized its impact by targeting donations to just a handful of lawmakers from the western Pennsylvania region.

29044234896

This aggressive political activity has helped the firm nearly quadruple its lobbying revenue in just the past few years, from \$320,000 for the first half of 2003 to \$1.2 million for the first half of 2005, according to figures from PoliticalMoneyLine.com.

One of the more egregious breaches involved a \$15,000 donation accepted late last year from a client, Charles Hammel, president of a Pennsylvania trucking company called Pitt Ohio Express, for whom GSP is seeking federal funding and lobbying on tax issues.

That move represents an apparent violation of federal rules restricting PAC contributions to company employees, as well as being a violation of contribution limits. The firm returned \$10,000 of that money after the FEC caught the second problem but not the first.

Now, firm officials said, they will return to Hammel the remaining \$5,000 they had accepted in violation of federal rules.

Beyond the Hammel check, GSP officials appear to have stepped outside the law by failing to tell the FEC when they created a second "affiliated" campaign fund under the rubric of a joint venture with Houston Harbaugh, a Pittsburgh law firm.

When firms already operating PACs set up other campaign funds, federal regulators require notification, since FEC rules dictate that dollars doled out by the secondary funds be counted against caps on the originals.

GSP appears to have violated those limits, contributing \$4,100 to Santorum's re-election campaign from the original PAC plus another \$1,500 from the fund of the side project, called Houston Harbaugh Legislative Services. The total \$5,600 in donations to the Senator's re-election effort exceeds the \$5,000 per-election limit on PAC contributions, prompting the firm to request a \$600 reimbursement after being notified of the breach Monday.

"The Santorum campaign follows all laws and rules as set forth by the FEC," Santorum campaign spokeswoman Virginia Davis said in a statement. "When contribution limits are exceeded, the campaign returns that contribution or portion of it in a timely manner."

GSP Consulting has seen its business soar since its launch by tapping into a growing trend in the lobbying business. With more federal dollars available for pet projects and a greater recognition of the fact by private-sector groups, lobbying firms specializing in clients from one geographic area have been able to trade on close ties to a single Congressional delegation.

By focusing on Pennsylvania lawmakers, GSP officials have secured \$35 million in federal help for their clients since the firm's founding, according to a recent report.

They now have about 50 federal clients, for whom they boast returns of 19 times the client's outlay. And the firm now has a staff of 16, including three more staffers who worked for Santorum.

"Growth," the firm's Web site, www.gspconsulting.com, announces. "GSP Consulting lives, eats, and breathes it. We are addicted to it."

Dick said that GSP principals consider their ethical standards to be a strength, adding he regrets that the nature of the business requires the firm to play in the political money game.

"It plays an unfortunately significant role in all of it," he said. "It's definitely a necessary evil."

PITTSBURGH BUSINESSTIMES

BUSINESS PULSE SURVEY: *How would you rate Mayor Bob O'Connor's first four months in office?*

GSP Consulting buys Houston Harbaugh's lobbying arm

Pittsburgh Business Times - August 15, 2005 by [Patty Tascarella](#)

Lobbying firm GSP Consulting has acquired Houston Harbaugh Legislative Services, which it jointly launched two years ago with one of Pittsburgh's largest law firms.

GSP bought the stake of Houston Harbaugh PC for an undisclosed price.

Houston Harbaugh Legislative Services was created to provide lobbying services to organizations in health care and economic development. Both GSP, a Pittsburgh-based firm, and Houston Harbaugh said the sale was prompted by HHLS's rapid growth.

"We started the joint venture to develop a new lobbying government affairs consulting arm of the law firm that would track different clients than GSP normally pursues," said GSP founder Joe Kuklis. "We lent our government affairs expertise, they lent rolodexes and a stable of lawyers who could develop quality leads, and we both put in some sweat equity."

Two of HHLS's three employees join GSP — Dennis Troy, former director of economic development for Allegheny County, and Shawn Good, former director of government affairs for the Pittsburgh Chamber of Commerce. GSP will absorb HHLS's clients.

Kuklis said South Side-based GSP will continue working with Houston Harbaugh and that the firm's founder, Greg Harbaugh, is joining GSP's board of advisors.

Since its founding in 2001, GSP has generated more than \$330 million for clients, mostly in the technology and life sciences sectors, from federal, state and local government sources. It employs 15 and has offices in Harrisburg, Philadelphia, Cleveland, Tampa and Ann Arbor.

Houston Harbaugh, launched in 1975, employs 37 lawyers. According to the Business Times list published Jan. 21, it is tied with McGuire Woods LLP as Pittsburgh's 18th-largest law firm, ranked by the number of lawyers in Pittsburgh.

From staff to lobbyist: The ties that bind

By Carrie Budoff
The Philadelphia Inquirer

When John Dick and Joseph Kuklis left Republican U.S. Sen. Rick Santorum's office, they picked the profession of many former staffers. They became lobbyists.

They moved into the same building where Santorum has his Pittsburgh office, hired a staff with ties to Democratic and Republican officeholders, started a political action committee, and landed \$35 million in appropriations, often for firms that had never received federal money before.

It's the way Washington works, but the practice is under scrutiny after a string of corruption scandals that highlighted the explosion in congressional pet projects and the industry that has built up around them.

In the last decade, the number of registered lobbyists has tripled to nearly 33,000 and the amount of so-called earmarks -- money for projects that lawmakers attach to spending bills -- topped \$29 billion.

A small circle of former staffers to Santorum and Sen. Arlen Specter, R-Pa., have, in turn, made earmarks their business, acting as the middlemen between clients and Pennsylvania's congressional delegation in winning more than \$100 million in appropriations since 2001, according to public records, interviews and analysis by The Inquirer.

The National Center for Defense Robotics hired Dick's firm, GSP Consulting, in 2002 and has won \$7.5 million since then. During that time, the center's president and his wife gave \$11,000 to lawmakers, including Rep. John P. Murtha, D-Johnstown, and Rep. Michael F. Doyle, D-Swissvale -- both of whom supported the projects, Dick said.

After hiring a former top Specter aide, Pittsburgh's Start Smart Foundation collected \$75,000 in 2002 to establish a substance-abuse prevention program and \$225,000 in 2003 to expand it. A month before winning the initial award, founder William Hinchey began writing the first of seven campaign checks totaling \$4,850 for Specter, who took credit for the grants. The nonprofit dissolved last year.

The former staffers to Santorum and Specter who work on appropriations tend to be more generous donors than their former colleagues who focus on policy. They gave at least \$170,000 since 2001, records show.

The system has fierce defenders.

Santorum, Specter and their spokesmen say earmarks make up a fraction of annual government spending, and the projects -- bioscience research, cutting-edge medical equipment, mass transit -- are valuable. They are vetted by multiple aides and awarded on merit, never campaign support, they say.

The influence of one lobbyist or donation is "nil," said William Reynolds, Specter's chief of staff. "I could care less who is bringing them in, frankly. Not that I am not friends with the people bringing them in. I don't give a rat's butt."

Outsiders see it differently.

The perception is fed, in part, by the process. Requests often evade public scrutiny, and the recipients and sponsoring lawmakers can be difficult to track.

"This is sort of the inside-the-Beltway version of machine politics," said Keith Ashdown, vice president of Taxpayers for Common Sense, a nonpartisan Washington group. "Your staff goes to K Street to make money, and you want to take care of them because they are on your team, and they want to return the favor by contributing money. It is back-scratching at its worst."

Credibility in connections

It was the tail end of the dot-com boom, and Dick and Kuklis saw a niche to fill.

They were doing business outreach in Santorum's Pittsburgh office to the region's growing high-technology sector. Money from venture capitalists started drying up, and the firms, in need of funding, asked for lobbyist references.

"I referred them," Dick said, "but they all came back and said: 'John, these lobbyists want \$10,000 guaranteed retainers. They want us to make contributions to their PAC. We are not ready to do that yet. Is there an alternative?' And honestly, there was not."

Dick and Kuklis opened a firm and aimed to be different.

They charged lower fees than their peers on K Street, the Washington address of many lobbyists. They declined to move there.

But they could not reject every hallmark of the K Street culture.

Seven GSP associates out of 16 have worked as congressional staffers, including three with Santorum and one each with Murtha and Doyle.

Expertise and work ethic mattered most in their hiring, Dick said, but so did connections. "I wish it weren't that way," he said, "but the fact is, it saves you a lot of time developing credibility with people."

Asked whether Dick suggests to his clients that they contribute money, he said: "Sure, it is an unfortunately big part of it... It is definitely in our interest to support candidates that care about our projects and issues."

Since 2002, GSP's PAC has contributed \$27,500 to members of Congress, divided evenly between the parties, but concentrated in Western Pennsylvania, the home of lawmakers often lobbied by GSP.

In 2004, GSP noted on its PAC finance reports its contributions to members of Congress on behalf of individuals, some of whom wanted -- or had already received -- its help.

The committee passed \$2,000 to Santorum and \$250 to Doyle in July 2004 -- designating the source as Sean McDonald, the CEO of Precision Therapeutics, who also gave \$1,500 directly to Murtha several months earlier, records show. Around the same time, the Pittsburgh developer of cancer-treatment technology was seeking funding and help on a Medicare reimbursement issue.

"GSP immediately employed the assistance of key congressional leaders to break the bureaucratic logjam in Washington," GSP states in a "client case study," which also details how Precision Therapeutics obtained \$3.5 million in funding. Dick credited Santorum, Doyle and Murtha, among others.

McDonald did not respond to a request for comment.

William Thomas Meyer, president of the National Center for Defense Robotics, also opened his checkbook over the same period he won federal funding. Responding to questions via e-mail, Thomas Meyer said the donations were "absolutely not" a factor in the awards.

Dick said contributions connected to his firm are never made for official action.

"You will find no stronger advocates of lobbying reform than my business partner and I. It will level the playing field for a firm like ours, which isn't doing junkets to Scotland," Dick said, referring to lobbyist Jack Abramoff, who pleaded guilty to fraud charges in January.

Dick is one of at least two dozen former Santorum aides who have become registered lobbyists since 1998. Specter graduated nearly as many, according to interviews and disclosure records.

About a dozen of them seek earmarks, records show. They also pepper lawmakers with contributions -- at least \$170,000. However, one staffer beyond that circle stands out: Mike Mihailek, a Santorum press aide until 1995, spread \$116,000 around the country as a partner since 2003 at Alexander Strategies Group, which has been linked to three corruption investigations. Disclosure forms show that he lobbied mostly on policy, but he had sought defense money for three clients.

Since joining American Continental Group in 2002, David Urban, a former Specter chief of staff, has built a deep roster of clients and given at least \$60,000, almost entirely to GOP lawmakers.

In that time, he helped land at least \$13 million for nonprofits and defense contractors, including Air Products, of Lehigh County, and JLG, of Fulton County. He teamed with other lobbyists to get \$46 million for Philadelphia's mass transit system and \$22 million for Drexel University. In news releases, Santorum and Specter claimed credit for a majority of these projects.

Another Specter chief of staff, Craig Snyder, took a similar path, becoming a partner at Ikon Public Affairs. The firm also employs Peter Grollman, who advised Specter on grants and appropriations. Together, they have obtained at least \$11.8 million for clients since 2001 and contributed \$70,000 to lawmakers, records show.

Snyder's connection convinced William Hinchey, a Lehigh Valley marketing executive who decided to leave his job in 2001 and start a nonprofit that targeted alcohol abuse. He also wanted federal money.

"I thought, here is a guy who used to work for Arlen Specter as his chief of staff," Hinchey said. "He probably knew how to do this stuff."

Snyder guided Hinchey toward \$75,000 for his Start Smart Foundation, which got an additional \$225,000 on its own the next year. The group put 120 families through an abuse-prevention program.

Discouraged by federal red tape and unwilling to continue investing his money, Hinchey closed the foundation last year.

Reynolds, Specter's current chief of staff, said the program was a "good-faith attempt to help a problem."

No end for earmarks

Immersed in a tough re-election fight, Santorum put himself at the center of the Senate's effort to change lobbying rules.

But the Senate passed a bill last month that left the earmarking process largely intact. It would require senators to identify the project's source and purpose, but Ashdown, of Taxpayers for Common Sense, said loopholes would allow many to remain hidden. The House has yet to take up the bill.

Santorum's leading Democratic opponent, Bob Casey Jr., has criticized the senator for his role in an "out of control" system. If elected, Casey said, he would seek earmarks, but more disclosure could reduce waste.

29044234975

For his part, Santorum concedes that he is an earmark fan.

"The money is going to be spent," he said. "It's either the Congress that decides where this money goes or the bureaucracy decides."

Two days after the Senate vote, Santorum was back on the check-presentation circuit.

With 75 supporters gathered in the town square, Santorum signed an oversize \$200,000 check to Oxford Mainstreet Inc., a downtown-revitalization group in Chester County.

The reason? Streetlights.

"I mean, these are projects that add real value to the community," Santorum said. "I am not building bridges to nowhere."
